RE: REFERENCE FOR ASCENT PROJECT

This letter serves as a reference for Ascent Project which I have known as a reliable company for the past four years.

I confirm that I have dealt with Ascent Project since 2012 in the capacity as Project Manager on behalf of the Ministry of Land Use and Housing. Ascent Project was the contractor on the several of our projects over the past years. They have been consistent in their ability to deliver project, and I can confirm that they are a dependable company.

The quality of material used and workmanship is of good standard. I can confidently recommend Ascent Project as a solid and reliable company for future works.

Thank you

Yours faithfully
