## **To Whom It May Concern:**

Public Utilities Corporation is registered as a parastatal company owned by the government of Seychelles. The corporation provide utilities services for electricity, water and sewerage for the islands of Mahe, Praslin and La Digue.

In my capacity as Deputy Chief Executive Officer, I confirm that we have been contracting the services of Ascent Projects Seychelles Pty Ltd for supply of ductile iron pipes and civil construction works. Our business relationship with Ascent Projects goes as far back as 2010.

The performances of Ascent Projects in the services they have been provided have been to satisfactory level. They have demonstrated know-how and understanding in all the works undertaken and ensured acceptable delivery period for supply of quality materials and equipment.

This letter is issued without any prejudice.
