TO WHOM IT MAY CONCERN

I had the pleasure of working with Ascent Project on the commercial building at Mt Fleuri named Global Village. The project involved complete building construction including plumbing and carpentry. Throughout the building Ascent Project were very cooperative. We were happy with the quality of work. There was some delay in completion partly due to change in plans. Even after the warranty period they have always been helpful. I have no hesitation in recommending them. I can be contacted on 4514008 and you are free to inspect their work.

Sincerely,

Dr Jivan
